APPOINTMENT, VOTING AND REVOCATION OF PROXIES

Appointment of Proxy Holders

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person’s name in the blank space provided in the enclosed form of proxy or by completing and executing another proper form of proxy.** All duly completed and executed proxies must be received by the Corporation’s registrar and transfer agent, TSX Trust Company (“**TSX Trust**”) at 301-100 Adelaide Street West, Toronto ON, M5H 4H1; Fax: +1 416 595 9593, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The

votes attached to the Common Shares of the Corporation represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy at any time prior to use by:

- (i) completing and signing a proxy bearing a later date and depositing it with TSX Trust at the address provided herein;
- (ii) depositing an instrument in writing, including another completed form of proxy, executed by such Shareholder or by his or her attorney duly authorized in writing, or, if the Shareholder is a body corporate, by a duly authorized officer or attorney, either (a) with TSX Trust at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, or (b) with the Chairman of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (iii) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting of Proxies

The voting rights attached to the Common Shares represented by proxies will be voted or withheld from voting in accordance with the instructions indicated therein. **If no instructions are given, the voting rights attached to said Common Shares will be exercised by those persons designated in the form of proxy and will be voted IN FAVOUR of all the matters described therein.**

The enclosed form of proxy confers discretionary voting authority upon the persons named therein with respect to amendments to matters identified in the Notice of Meeting, and with respect to such matters as may properly come before the Meeting. As of the date hereof, management of the Corporation knows of no such amendments or other matters to come before the Meeting.

Voting by Non-Registered Shareholders

Only registered Shareholders or proxyholders duly appointed by registered Shareholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are "non-registered" shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary (an "**Intermediary**") or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that only registered Shareholders are entitled to vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depositary Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the brokers' clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Beneficial Shareholders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Beneficial Shareholders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBOs”. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has elected to send the Notice, this Circular and the Proxy (collectively, the “**Meeting Materials**”) directly to the NOBOs, and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Corporation intends to pay Intermediaries for delivery to deliver to OBOs. The Meeting Materials sent to Beneficial Shareholders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”). By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholders is able to instruct the registered Shareholder how to vote on behalf of the Beneficial Shareholders. VIFs, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own. Should a Beneficial Shareholders who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Beneficial Shareholders may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholders or his or her nominee the right to attend and vote at the Meetings. Please return your voting instructions as specified in the VIF. Beneficial Shareholders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

These Meeting Materials are being sent to both registered Shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

A Beneficial Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven days prior to the Meeting.

All references to Shareholders in this Circular and the accompanying form of proxy and notice of Meeting are to registered Shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as described elsewhere in this Circular, management of the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of (a) any director or executive officer of the Corporation who has held such position at any time since the beginning of the Corporation’s last financial year, (b) any proposed nominee for election as a director of the Corporation, and (c) any associates or affiliates of any of the persons or companies listed in (a) and (b), in any matter to be acted on at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value and an unlimited number of non-voting preferred shares without par value. As at the date hereof, there are 60,213,554 Common Shares issued and outstanding. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting.

The record date for the determination of Shareholders entitled to receive notice of the Meeting and vote at the Meeting has been fixed as June 27, 2022 (the “**Record Date**”). Management has no reason to believe that any of the nominees will be unable to serve as a director. **However, if any proposed nominee is unable to serve as a director, the individuals named in the enclosed form of proxy will be voted in favour of the remaining nominees, and may be voted in favour of a substitute nominee unless the Shareholder has specified in the proxy that the Common Shares represented thereby are to be withheld from voting in respect of the election of directors.**

The Stock Option Plan is a rolling stock option plan that sets the number of Common Shares issuable thereunder at a maximum of 10% of the Common Shares issued and outstanding at the time of any grant.

Pursuant to TSX Venture Exchange (“**TSX-V**”) policies, a TSX-V-listed issuer is required to obtain the approval of its shareholders for a “rolling” stock option plan at each annual meeting of shareholders. Accordingly, at the Meeting, Shareholders will be asked to approve an ordinary resolution to approve the Stock Option Plan for the ensuing year.

EXECUTIVE COMPENSATION

Named Executive Officers

For the purposes of this Circular, a Named Executive Officer (“**NEO**”) of the Corporation means each of the following individuals:

- (a) a chief executive officer (“**CEO**”) of the Corporation;
- (b) a chief financial officer (“**CFO**”) of the Corporation;
- (c) if applicable, each of the Corporation’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 as determined in accordance with subsection 1.3(6) of Form 51-102F6 – *Statement of Executive Compensation*; and
- (d) each individual who would be an NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

At the end of the Corporation’s most recently completed financial year, being the year ended December 31, 2021, the Corporation had the following two NEOs: Ali Haji, President and CEO, and John McVicar, CFO.

Compensation Discussion and Analysis

To date, the Board has not adopted any formal policies to determine executive compensation. Executive compensation is currently determined by the independent directors of the Board that has general oversight of compensation of employees and executive officers.

In carrying out its duties and responsibilities in relation to compensation and utilizing industry comparable salaries and bonuses, the Board sets annual performance objectives that are aligned to the overall objectives of the Corporation and assess the attainment of the corporate goals to determine the amount of performance bonus compensation paid. In determining the appropriate level of compensation, the Board may consider comparative data for the Corporation’s peer group, which are accumulated from a number of external sources, including independent consultants. The Board will consider implementing formal compensation policies in the future should circumstances warrant.

Currently, the long-term compensation available to the NEOs consists of the stock options granted under the Stock Option Plan, which is administered by the Board and is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Corporation to attract and retain individuals with experience and ability, and to reward individuals for current performance and expected future performance. The Board considers stock option grants when reviewing each NEO’s compensation package as a whole.

The allocation of stock options is regarded as an important element to attract and retain NEOs for the long term and it aligns their interests with Shareholders

The Stock Option Plan is administered by the Board and provides that stock options ("Options") may be issued to directors, officers, employees, management company employee or consultants of the Corporation or a subsidiary of the Corporation. The number of options issuable under the Stock Option Plan, together with all of the Corporation's previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding Common Shares. Pursuant to the Stock Option Plan, all Options expire on a date not later than 10 years after the date of grant of an option.

The Stock Option Plan is subject to the following restrictions:

- the aggregate number of Options granted to any consultants, together with all other share compensation arrangements of the Company, in any twelve (12) month period must not exceed 2% of the outstanding Common Shares calculated at the date of the grant, less the aggregate number of Common Shares reserved for issuance or issuable under any other Share Compensation Arrangement of the Corporation;
- the aggregate number of Options granted to Consultants conducting Investor Relations Activities for the Corporation, together with all other share compensation arrangements of the Company, in any twelve (12) month period must not exceed 2% of the outstanding Common Shares calculated at the date of the grant, less the aggregate number of Common Shares reserved for issuance or issuable under any other Share Compensation Arrangement of the Corporation;

Risk Oversight

In carrying out its mandate, the Board reviews from time to time the risk implications of the Corporation's compensation policies and practices, including those applicable to the Corporation's executives. This review of the risk implications ensures that compensation plans, in their design, structures, and application have a clear link between pay and performance and do not encourage excessive risk taking. Key considerations regarding risk management include the following:

- design of the compensation program to ensure all executives are compensated equally based on the same or, depending on the mandate and term of appointment of that particular executive, substantially equivalent performance goals;
- balance of short-term performance incentives with equity-based awards that vest overtime;
- ensuring overall expense to the Corporation of the compensation program does not represent a disproportionate percentage of the Corporation's revenues, after giving consideration to the development stage of the Corporation; and
- utilizing compensation policies that do not rely solely on the accomplishment of specific tasks without consideration to longer term risks and objectives.

For reasons set forth above, the Board believes that the Corporation's current executive compensation policies and practices achieve an appropriate balance in relation to the Corporation's overall business strategy and do not encourage executives to expose the Corporation to inappropriate or excessive risks.

External Management Contracts

The Corporation is not party to any external management contracts.

Pension Plan Benefits, Termination and Change of Control Benefits

The Corporation has no pension or retirement plan. The Corporation has not provided compensation, monetary or otherwise to any person who now acts as a NEO of the Company, in connection with or related to the retirement, termination or resignation of such person and the Corporation has provided no compensation to such persons as a result of a change of control of the Corporation, its subsidiaries or affiliates. The Corporation is not party to any compensation plan or arrangement with NEOs resulting from the resignation, retirement or the termination of employment of any person.

STATEMENT OF CORPORATE GOVERNANCE

The description of the Corporation's current corporate governance practices is provided in accordance with Form 58-101F2 of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**").

Board of Directors

NI 58-101 defines an "independent director" as a director who has no direct or indirect "material relationship" with the issuer. A "material relationship" is as a relationship that could be, in the view of the Board, be reasonably expected to interfere with the exercise of a member's independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently composed of five directors, being Matthew Wood (Chair), Ali Haji, Aneel Waraich, Bataa Tumur-Ochir and Enkhtuvshin Khishigsuren. The Board has determined that each of Messrs. Wood, Waraich, Tumur-Ochir and Khishigsuren are independent within the meaning of NI 58-101. Mr. Haji is not considered independent within the meaning of NI 58-101 because he is an executive officer (as such term is defined in NI 58-101) of the Corporation and is thereby considered to have a material relationship with the Corporation.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings of the independent directors as deemed necessary, at which non-independent directors and members of management are not in attendance.

Orientation and Continuing Education of Board Members

While the Corporation does not currently have a formal orientation and education program for new members of the Board, the Corporation provides such orientation and education on an ad hoc and informal basis. The directors believe that these procedures are a practical and effective approach in light of the Corporation's particular circumstances, including the size of the Corporation, the number, experience and expertise of its directors.

Ethical Business Conduct

The directors maintain that the Corporation must conduct and be seen to conduct its business dealings in accordance with all applicable laws and the highest ethical standards. The Corporation's reputation for honesty and integrity amongst its shareholders and other stakeholders is key to the success of its business. No employee or director will be permitted to achieve results through violation of laws or regulations, or through unscrupulous dealings.

Any director with a conflict of interest or who is capable of being perceived as being in conflict of interest with respect to the Corporation must abstain from discussion and voting by the board of directors or any committee of the board of directors on any motion to recommend or approve the relevant agreement or transaction. The board of directors must comply with conflict of interest provisions of the *Business Corporations Act* (Alberta).

Nomination of Directors

Both the directors and management are responsible for selecting nominees for election to the board of directors. At present, there is no formal process established to identify new candidates for nomination. The board of directors and management determine the requirements for skills and experience needed on the board of directors from time to time. The present Board and management expect that new nominees have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, support for the Corporation's business objectives and a willingness to serve.

Compensation

The Board is directly responsible for determining compensation of directors and management. The Board does not currently have a compensation committee. The Board reviews the Corporation's compensation policies and remuneration of directors and management annually, including base salaries, bonuses, and stock option plans and grants thereunder, and other forms of compensation. For more information on the Corporation's compensation practices, please see the section of this Circular entitled "*Executive Compensation*".

Other Board Committees

The Board has no standing committees other than the Audit Committee.

Assessments

The Board does not consider formal assessments useful given the stage of the Corporation's business and operations. However, the directors believe that nomination to the Board is not open ended and that directorships should be reviewed carefully for alignment with the strategic needs of the Corporation. To this extent, the directors constantly review (i) individual director performance and the performance of the board of directors, including processes and effectiveness; and (ii) the performance of the Chairman, if any, of the Board. A more formal assessment process will be instituted if and when the Board considers it to be advisable.

- (x) disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option, or the extension of the term of an Option, if the Optionee is an Insider of the Company at the time of the proposed amendment.

8. **ADJUSTMENT OF AND CHANGES IN THE OPTIONSHARES**

- (a) If the Common Shares are at any time to be listed or quoted on any stock exchange or stock quotation system other than the TSX Venture Exchange, to the extent that there are any Options which are outstanding and unexercised at the time of such application for listing, the Option Price, the aggregate number of Option Shares, the exercise period, and any other relevant terms of such Options, and the Option Agreements in relation thereto, shall be amended in accordance with the requirements of any applicable securities regulation or law or any applicable governmental or regulatory body (including the Exchange). Subject to the requirements of the Exchange, any such amendment shall be effective upon receipt of Board approval of it, and the approval of any of the shareholders of the Company or any of the Optionees is not required to give effect to such amendment.
- (b) If the Common Shares, as presently constituted, are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another Company (whether by reason of merger, consolidation, amalgamation, recapitalization, reclassification, split, reverse split, combination of shares, or otherwise) or if the number of such Common Shares are increased through the payment of a stock dividend, then there shall be substituted for or added to each Option Share subject to or which may become subject to an Option under this Plan, the number and kind of shares or other securities into which each outstanding Option Share is so changed, or for which each such Option Share is exchanged, or to which each such Option Share is entitled, as the case may be. Outstanding Options under the Option Agreements shall also be appropriately amended as to price and other terms as may be necessary to reflect the foregoing events. In the event that there is any other change in the number or kind of the outstanding Common Shares or of any shares or other securities into which such Option Shares are changed, or for which they have been exchanged, then, if the Board shall, in its sole discretion, determine that such change equitably requires an adjustment in any Option theretofore granted or which may be granted under the Plan, such adjustment shall be made in accordance with such determination. For greater certainty, any adjustment, other than in connection with a consolidation or stock split, to Options granted under the Plan, must be subject to the prior acceptance of the TSXV, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.
- (c) Fractional shares resulting from any adjustment in Options pursuant to this Section 8 will be cancelled. Notice of any adjustment shall be given by the Company to each holder of an Option which has been so adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

9. **PAYMENT**

Subject as hereinafter provided, the full purchase price for each of the Option Shares shall be paid by certified cheque in favour of the Company upon exercise thereof. An Optionee shall have none of the rights of a shareholder in respect of the Option Shares until the shares are issued to such Optionee.

10. **SECURITIES LAW REQUIREMENTS**

No Option shall be exercisable in whole or in part, nor shall the Company be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of counsel for the Company, constitute a breach of any applicable laws from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

11. **AMENDMENT OF THE PLAN**

- (a) The Board may amend, suspend or terminate the Plan or any portion thereof at any time, but an amendment may not be made without shareholder approval if such approval is necessary to comply with any applicable regulatory requirement.
- (b) The Board shall have the power, in the event of:
 - (i) any disposition of substantially all of the assets of the Company, dissolution or any merger, amalgamation or consolidation of the Company, with or into any other Company, or the merger, amalgamation or consolidation of any other Company with or into the Company; or
 - (ii) any acquisition pursuant to a public tender offer of a majority of the then issued and outstanding Common Shares;

but subject to compliance with the rules of the Exchange, to amend any outstanding Options to permit the exercise of all such Options prior to the effectiveness of any such transaction, and to terminate such Options as of such effectiveness in the case of transactions referred to in subsection (i) above, and as of the effectiveness of such tender offer or such later date as the Board may determine in the case of any transaction described in subsection (ii) above. If the Board exercises such power, all Options then outstanding and subject to such requirements shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to the effectiveness of such transaction, and such Options shall also be deemed to have terminated as provided above.

12. **POWER TO TERMINATE OR AMEND PLAN**

Subject to the approval of any stock exchange on which the Company's securities are listed, the Board may terminate, suspend or amend the terms of the Plan; provided, that the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, shareholder approval, and, where required, disinterested shareholder approval, or by the written consent of the holders of a majority of the securities of the Company entitled to vote:

- (a) increase the aggregate number of Common Shares which may be issued under the Plan;
- (b) materially modify the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation;
- (c) add any form of financial assistance or any amendment to a financial assistance provision which is more favourable to participants under the Plan;

- (d) add a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserve;
- (e) materially increase the benefits accruing to participants under the Plan;
- (f) change the vesting provisions of a security or the Plan; and
- (g) change the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date.

However, the Board may make amendments of a housekeeping nature to the Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval.

13. **SHAREHOLDER APPROVAL**

This Plan is subject to the approval of the shareholders of the Company if required pursuant to the policies of the Exchange. Any Options granted prior to such approval, if required, are conditional upon such approval being given, and no such Options may be exercised unless and until such approval, as required, is given.

SCHEDULE “C”

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

MANDATE

The Audit Committee (“**Committee**”) is a committee of the board of directors (the “**Board**”). Its primary function shall be to assist the Board in fulfilling its oversight responsibilities with respect to financial reporting and disclosure requirements, the overall maintenance of the systems of internal controls that management have established and the overall responsibility for Ion Energy Ltd.’s (the “**Company**”) external and internal audit processes.

The Committee shall have the power to conduct or authorize investigations into any matter within the scope of this Charter. It may request any officer or employee of the Company, its external legal counsel or external auditor to attend a meeting of the Committee or to meet with any member(s) of the Committee.

The Committee shall be accountable to the Board. In the course of fulfilling its specific responsibilities hereunder, the Committee shall maintain an open communication between the Company’s outside auditor and the Board.

The responsibilities of a member of the Committee shall be in addition to such member’s duties as a member of the Board.

The Committee has the duty to determine whether the Company’s financial disclosures are complete, accurate, are in accordance with international financial reporting standards and fairly present the financial position and risks of the organization. The Committee should, where it deems appropriate, resolve disagreements, if any, between management and the external auditor, and review compliance with laws and regulations and the Company’s own policies.

The Committee will provide the Board with such recommendations and reports with respect to the financial disclosures of the Company as it deems advisable.

MEMBERSHIP AND COMPOSITION

The Committee shall consist of at least three Directors who shall serve on behalf of the Board. The members shall be appointed annually by the Board and shall meet the independence, financial literacy and experience requirements of the TSX Venture Exchange, including Multilateral Statement 52-110, and other regulatory agencies as required.

A majority of Members will constitute a quorum for a meeting of the Committee.

The Board will appoint one Member to act as the Chairman of the Committee. In his absence, the Committee may appoint another person provided a quorum is present. The Chairman will appoint a Secretary of the meeting, who need not be a member of the committee and who will maintain the minutes of the meeting.

MEETINGS

At the request of the external auditor, the Chief Executive Officer or the Chief Financial Officer of the Company or any member of the Committee, the Chairman will convene a meeting of the Committee. In advance of every meeting of the Committee, the Chairman, with the assistance of the Chief Financial Officer, will ensure that the agenda and meeting materials are distributed in a timely manner and no less than five (5) business days before the meeting.

The Committee shall meet no less than four times per year or more frequently if circumstances or the obligations require.

DUTIES AND RESPONSIBILITIES

The duties and responsibilities of the Committee shall be as follows:

A. Financial Reporting and Disclosure

- i. Review and discuss with management and the external auditor at the completion of the annual examination:
 - a. the Company's audited financial statements and related notes;
 - b. the external auditor's audit of the financial statements and their report thereon;
 - c. any significant changes required in the external auditor's audit plan;
 - d. any serious difficulties or disputes with management encountered during the course of the audit; and
 - e. other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards.
- ii. Review and discuss with management and the external auditor at the completion of any review engagement or other examination, the Company's quarterly financial statements.
- iii. Review, discuss with management the annual reports, the quarterly reports, the Management Discussion and Analysis, Annual Information Form, prospectus and other disclosures and, if thought advisable, recommend the acceptance of such documents to the Board for approval.
- iv. Review and discuss with management any guidance being provided to shareholders on the expected future results and financial performance of the Company and provide their recommendations on such documents to the Board.
- v. Inquire of the auditors the quality and acceptability of the Company's accounting principles, including the clarity of financial disclosure and the degree of conservatism or aggressiveness of the accounting policies and estimates.
- vi. Meet independently with the external auditor and management in separate executive sessions, as necessary or appropriate.
- vii. Ensure that management has the proper systems in place so that the Company's financial statements, financial reports and other financial information satisfy legal and regulatory requirements. Based upon discussions with the external auditor and the financial statement review, if it deems appropriate, recommend to the Board the filing of the audited annual and unaudited quarterly financial statements.
- viii. Oversee and enforce Company's public disclosure practices.

B. External Auditor

- i. Consider, in consultation with the external auditor, the audit scope and plan of the external auditor.
- ii. Recommend to the Board the external auditor to be nominated and review the performance of the auditor, including the lead partner of the external auditor.
- iii. Confirm with the external auditor and receive written confirmation at least once per year as to disclosure of any investigations or government enquiries, reviews or investigations of the outside auditor.
- iv. Take reasonable steps to confirm the independence of the external auditor, which shall include:
 - a. ensuring receipt from the external auditor of a formal written statement delineating all relationships between the external auditor and the Company, consistent with generally accepting auditing practices,

- b. considering and discussing with the external auditor any disclosed relationships or services, including non-audit services, that may impact the objectivity and independence of the external auditor, and
- c. approve in advance any non-audit related services provided by the auditor to the Company with a view to ensuring independence of the auditor, and in accordance with any applicable regulatory requirements, including the requirements of the TSX-V with respect to approval of non-audit related services performed by the auditor.

C. Internal Controls and Audit

- i. Review and assess the adequacy and effectiveness of the Company's systems of internal and management information systems through discussion with management and the external auditor to ensure that the Company maintains appropriate systems, is able to assess the pertinent risks of the Company and that the risk of a material misstatement in the financial disclosures can be detected.
- ii. Assess the requirement for the appointment of an internal auditor for the Company.
- iii. Inquire of management and the external auditor about the systems of internal controls that management and the Board have established and the effectiveness of those systems. In addition, inquire of management and the external auditor about significant financial risks or exposures and the steps management has taken to minimize such risks to the Company.

OVERSIGHT FUNCTION

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate or are in accordance with IFRS and applicable rules and regulations. These are the responsibilities of management and the external auditors. The Committee, the Chairman and any Members identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Company, and are specifically not accountable or responsible for the day to day operation or performance of such activities. Although the designation of a Member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation. Rather, the role of a Member who is identified as having accounting or related financial expertise, like the role of all Members, is to oversee the process, not to certify or guarantee the internal or external audit of the Company's financial information or public disclosure.

CHARTER REVIEW

The Committee will annually review and reassess the adequacy of this policy and submit any recommended changes to the Board for approval.
